## Welcome Letter

Dear colleagues,

The Hellenic Group of Sarcoma and Rare Cancers (HGSRC) is pleased to welcome you in our first series of educational Webinars. The event aims to induce an interest in the challenging field of sarcomas amongst the medical community, by combining background knowledge and contemporary developments in the diagnosis and management of these rare diseases. These Webinars are addressed to pathologists, oncologists, radiation oncologists, radiologists, surgeons as well as any other scientific groups with special interest on sarcomas.

The sessions covered during these series of webinars will include a thorough presentation of clinical cases and discussion of the latest developments in the field. A prestigious faculty from all over Europe representing various disciplines involved in the management of sarcomas ensures the highest quality of the scientific and didactic sessions.

The Organizing Committee,
